New Business:

- Yogi's is not going to CW Stray Cats are taking their place so on the CW schedule replace the 2, CW knows about this but after they made this schedule. will be fixed for the tournament
- tournament needs to be more then just the "Super Troopers" to much for one person/ team maybe next year we can have more help from teams as there is so much work involved and paper work etc. Also maybe Blyth teams/ execuatives should be present at all times through out the tournament as it is our leagues responsibility to make sure things run smoothly or take care of issues as they arise. At least 2 representitives until bar closes
- Stef emailed the constitution it was asked if anyone had an issue with it and no one seems to
- Stef is stepping down from President for next season, no one spoke up at this meeting but the position will be open so please take this to your teams and discuss so then next season we will have one in place of her
- **our next meeting was scheduled for March 9 but I just realized the next CW meeting is not until Mar 14. We always have ours after theirs. Should I move the meeting until Mar 16??**
